

Minutes of Annual General Meeting
13 December 2016

Alison McGovern MP (Labour) and Tom Tugendhat MP (Conservative) joined Robert Jenrick MP (Conservative) as Co-Chairs of the APPG.

The current aims of the group were confirmed and it was emphasised that the group should maintain a thematic focus so as not to duplicate with geographic APPGs, such as the APPG on Sudan and South Sudan and the APPG on Syria.

The launch of a report started by Jo Cox MP and Tom Tugendhat MP and completed by Alison McGovern and Tom Tugendhat was discussed. The report is to be launched end of January 2017.

There was an interest in following up the event held in February 2016 with Nadia Murad about the genocide against the Yazidi community in Iraq.

Aegis Trust agreed to continue to provide the Secretariat for the group including hosting the APPG's web presence. Aegis Trust was tasked with proposing a programme of events for the group going forward.
